Summary CFJL Task Force Recommendations to Date:

NOTE: County Departments will be required to submit more comprehensive plan details, including project/program information, financing, duration (short-term, medium-term, and long-term), and related measures of success (metrics) with evidence of an equity, outcome, and data-driven framework; which involves interagency coordination. These plans will inform and assist in the development of a Countywide plan that fosters cross-agency collaboration with non-county organizations and stakeholders (References: CFJL Task Force [July 28 2022](#) and [August 25 2022](#)).
